2. Go to Menu in the top left and select Online Learning, then click on Learning Management System.

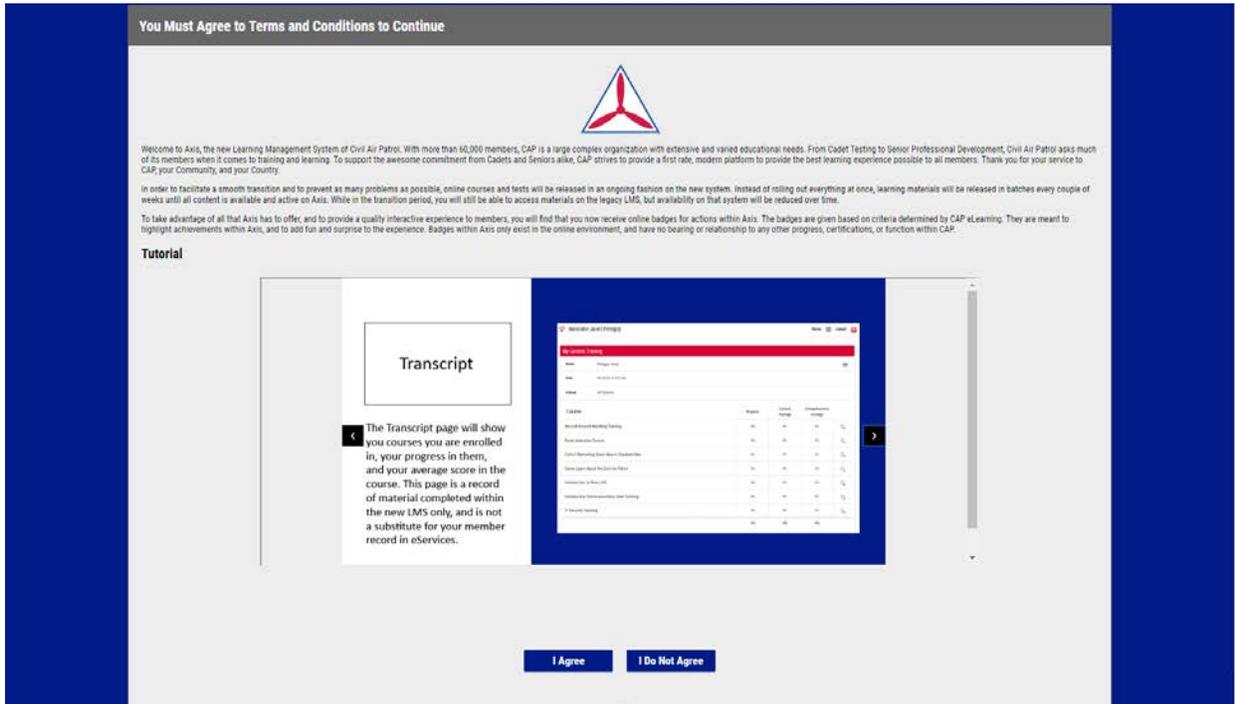

The screenshot shows the eServices portal interface. On the left, there is a 'Menu' sidebar with various categories. The 'Online Learning' category is expanded, showing a list of applications including 'Learning Management System'. A large red arrow points to this option. Other menu items include 'Inspector General', 'Logistics', 'Operations', 'Personnel', 'Professional Development', 'Public Affairs', and 'Reports'. The main content area on the right features 'Approvals/Validations', 'News', and 'Favorite Apps' sections. The 'News' section contains several recent announcements with dates ranging from February to April 2019. At the bottom, there are sections for 'Downloads', 'Contact Us', and 'Follow CAP'.

3. At the top of the page, select Go to AXIS. This will take you to the new system.

The screenshot displays the Learning Management System (LMS) interface. At the top, there is a navigation bar with 'Home > Modules > Courses' and a 'NEW! AXIS Portal' announcement. A red arrow points to the 'Go to AXIS' link. Below this, there is a section for 'Courses You Have Started' with a table listing courses and their start dates. The table includes columns for 'Course' and 'Date Started'. Below the table is an 'Available Courses' section with a 'Filter by Functional Area' dropdown menu. The 'Available Courses' section lists several courses, including 'Level 1 Orientation "Starting Your Journey"', 'Cadet Protection Basic Course (Cadets)', 'Cadet Protection Basic Course (Seniors)', and 'Cadet Protection Advanced Course'. At the bottom, there is an 'Administrative' section with links to '2017 Winter Command Council Slides', 'Peregov Test Alpha', 'Peregov Test Beta', and 'Peregov Test Delta'. The left sidebar contains various administrative and user management options.
