

A NOTE ABOUT CADET STAFF SELECTION PROCESS:

In order to be considered for staff, the application must be COMPLETE by the deadline date. (The status on the Received Application Page on the encampment website MUST be green or yellow at that date.) Cadet Staff applicants will receive an invitation via email to attend the Leadership Workshop . All invited candidates are expected to attend the Leadership Workshop. If there are extenuating circumstances precluding attendance, the cadet MUST contact the Encampment Deputy Commander for Support to arrange a virtual interview prior to the start of the workshop. (See the Contact Page for contact information.) Applications from cadets who do not attend the workshop and are not formally 'excused' will be removed from consideration for this year's encampment.

A NOTE ABOUT CADET COMMAND STAFF SELECTION PROCESS:

The requirements for Command Staff are the same as for the rest of cadet staff except that the staff application and essay MUST be posted on the website by the Command Staff Deadline (check HOW TO APPY for the date). Candidates will be contacted to schedule a virtual interview. Command positions include the Cadet Commander, Deputy Commander for Operations, Deputy Commander for Support (XO) and Squadron Commander.
