UPLOADING ENCAMPMENT PAPERWORK

We strongly recommend uploading your completed Part II Paperwork. (It is much more secure than sending it via email.).

In order to do the upload you need to sign on to the Secure area of the encampment website.
https://nyw.cap.gov/encampment/enc2025/secure/securemenu.php

Once you have logged in, you should see an option to "UPLOAD COMPLETED APPLICATION". The uploaded file must be less than 2MB in size and in pdf format. (Link to compress a pdf -

DO NOT take pictures with your phone! The uploaded document MUST be in a single PDF document. If after having tried, you are having problems, you can email or mail your paperwork to the encampment registrar.

Please be sure to review all the requirements for attendance at the encampment website – HOW TO APPLY. It is your responsibility to make sure that all requirements are met prior to the deadline date. Current status of your application is at the APPLICATION STATUS link at the top of the page.
